HiARTS Biography – Mathew Migliorini – Theatre

Mathew Migliorini “Mr. Mig,” is an actor, director, and improv sauvent. Having graduated from Sunny Hills, he is excited to be returning to the Fullerton Joint Union High School District as the new Theatre Teacher at La Habra High School. He first fell in love with theatre in high school. Majoring in Theatre Arts at Azusa Pacific University, he found his true calling towards directing. With previous stops at Baldwin Park High School and Walnut High School, he brings 10 years of directorial experience and is thrilled to take over at such a prestigious program.

Mirroring the sentiment of his college professor, “There are two kinds of people in the world – those who take theatre classes and those who wish they had.” Mr. Mig believes art is for all and that everyone should take a theatre class in their life. When he is not teaching and directing, he enjoys spending time with his family, woodworking, and freestyle rapping.
